HRDC’s fare-free transportation initiatives are an environmentally-friendly way to connect our community and help individuals maintain their independence. Streamline provides day, late-night, and Bridger Bowl public transit services, and Galavan serves our senior and disabled citizens, allowing them to remain active and involved in our community.

Last year...

22,300 Rides were provided by Galavan Transit

304,786 Rides were provided by Streamline Bus

23,174 Late-night rides were provided by Streamline Bus
