HRDC to Benefit from Bridger Bowl's Tenth Annual Carve Out Hunger Food Drive

Bozeman, MONT. – Each year, Bridger Bowl and HRDC's Gallatin Valley Food Bank team up to collect food and "carve out hunger." This year, the partnership celebrates their tenth annual food drive.

On Saturday, March 27, individuals can donate food to the Gallatin Valley Food Bank by dropping it off outside of the Saddle Peak Lodge (by the ticket window) from 8:00 am to 2:00 pm. For each 15 cans of food (which must be nonperishable), individuals will receive one voucher good for a $25 lift ticket or a free child ticket, as well as one entry to win a 2021-22 Bridger Bowl Adult Season Pass.

"We rely on the community's support, both during physical food drives and with monetary donations, to ensure that none of our neighbors go to bed hungry. We are so grateful for our partnership with Bridger Bowl. Bridger Bowl is truly a community ski area and Carve Out Hunger will help us provide much needed groceries to those struggling to make ends meet," says Jill Holder, HRDC Food & Nutrition Director.

For more information about Carve Out Hunger, visit https://bridgerbowl.com. For information about HRDC's Food & Nutrition services, visit https://thehrdc.org/food-nutrition/ or https://gallatinvalleyfoodbank.org.

HRDC's Gallatin Valley Food Bank is a vital part of the nonprofit's response to address hunger in the area. The Gallatin Valley Food Bank serves residents in Gallatin County and beyond who are in need of emergency or supplemental food assistance.
