

5TH ANNUAL BLUEPRINT VIRTUAL GIVING TREE

HRDC's Blueprint Transitional Home supports young adults experiencing homelessness in our community. We're inviting you to partner with us to create a holiday experience our youth will never forget! Our youth have EACH created a wish list of items they may not receive otherwise. Some of the items are physical gifts, while others are basic needs and/or experiences.

To participate with our online giving tree, please use this QR code or visit giftster.com and search for "HRDC Blueprint" to view our youth's individual lists. Donors have the opportunity to mark items as "reserved" or "purchased." Please note: The items listed are examples. If you do not have access to a vendor linked in the list, we encourage other donations similar to the listed item.

Donations can be dropped off at HRDC's Main Office by 12 PM on DECEMBER 23rd at the latest. When you drop off your items you will be asked to fill out a short information ticket. Thank you for your generosity this holiday season!
