

HELP US HELP OUR NEIGHBORS IN NEED

Our emergency overnight shelter — the Warming Center — is experiencing unprecedented demand. As we gear up for our cold winter months we are hosting a fall supply drive to help replenish everyday essentials. Whether you donate one item or many, your generosity is sure to brighten someone's day.

How it works: while you shop, choose from the items listed below. Once finished, gather the items you wish to donate and drop them off at **HRDC's Warming Center**.
